Rewarding success since 1995

Would you like to enter your business, or nominate a business, for our prestigious Business of the Month Award?

Established in 1995, the award has been won by a diverse range of businesses over that time. It doesn't matter how large or small your business or workforce, all applications are treated equally.

All monthly winners are automatically entered into our Business of the Year Awards. These are held every July, when the preceding twelve monthly winners and members of the business community attend the annual breakfast awards ceremony.

The awards have recently been expanded to cover a wider geographical area, so if you are proud of what your business has achieved and it is based in Kirklees, Calderdale or Wakefield, why not tell us about your success story.

Give it a try ...

... these did!

“CragRats were delighted to win a coveted Kirklees Business of the Year Award back in 2001. Winners of several national business awards, we were particularly happy to receive a local award, presented by Eaton Smith.”

Rob Machon
Operations Director – CragRats Ltd.

“Winning Business of the Year was a wonderful award for Fenay; it gave us added momentum to achieve our company goals and ambitions, and was an enormous sense of pride to everyone at the company.”

Richard Wrigley
Managing Director – Fenay Machine Safety.

“Winning the award gave local businesses an insight into what KD Decoratives was about and helped the company find new suppliers within the area, by making the business community more aware as to what our requirements were; such as banking, insurance and other services. The award also added more prestige to KD Decoratives name in the open market.”

Richard Kitchen-Dunn
Company Chairman – K D Decoratives.

“On achieving the Kirklees Business of the Year Award in 2004, it clearly set the benchmark within our organisation for future development and rewarded our loyal members of staff for all their efforts in supporting Richard and I after carrying out our management buyout process in 2003. It afforded us great exposure within Kirklees and endorsed our brand to our existing clients and opened doors to potential clients. Overall a tremendous accolade, to which our thanks and appreciation goes to Eaton Smith.”

Vicki Davenport
Sales/Commercial Director – The Pink Link.

“Redbrick’s ethos was and still is to effectively, yet sympathetically, regenerate this amazing mill complex to create a unique lifestyle destination, and we are proud to be able to contribute towards the attraction of visitors into the Kirklees area. So, it was with great pleasure and pride that Redbrick Mill received the Kirklees Business of the Year Award for 2005. For myself and the Redbrick team, the award reflected the success that we have achieved since our inception in 2000.”

Stephen Battye
Chairman – Redbrick Mill.
